Claims Law Courses for Wyoming Continuing Education Credits

Educating the Insurance Professional

American Educational Institute's independent study claims law courses have been approved by the Wyoming Insurance Department as a source for continuing education.

AEI's college level, work-related, independent study claims law courses give claims professionals the knowledge they need to handle claims more effectively as well as earning the required continuing education credits.

Furthermore, our unique program enables you or your staff to increase their knowledge significantly without loss of time away from the job and cost of attending classroom sessions.

The courses vary between 15 and 25 hours of study time and require an examination which is graded and returned with detailed comments from our full-time staff of counselors, all of whom have a law degree or paralegal certificate and extensive multi-line claims experience. The counselors are available on our toll free 800 number to answer questions pertaining to the text material and examination comments.

The textbook for each course includes actual court decisions to illustrate the subject matter being discussed. By reading these opinions, you will develop a better understanding of how courts have ruled and are likely to rule on important issues in claims. Our course textbooks also serve as an excellent ongoing reference source.

The tuition for each individual AEI course is \$180 (including textbook and grading service). You will find course descriptions and an enrollment form on our website at (www.aeiclaimslaw.com).

Also, there is a \$1.00 per credit hour filing fee that the state of Wyoming requires. Send a check payable to American Educational Institute in an amount sufficient to cover this fee. AEI will remit this required filing fee to Wyoming. To make sure you are complying with all Wyoming Insurance Department requirements, it's important that you call AEI prior to taking your exam.

Remember, you don't have to wait for a class to form – you can start to increase your knowledge of claims law and earn continuing education credits by enrolling today.
